## Third Annual Give Back to the Community Service Weekend Stoneham Middle School May 16, 17, & 18, 2008

Dear Business Partners, Teachers, Parents, Students and Friends:

The Stoneham Middle School PTO JUG Program and the Rotary Club of Stoneham are teaming up to help the Stoneham Middle School utilize a wonderful space right on campus – the courtyard! The old Stoneham High School built in the 1950's has an overgrown, under-utilized space right in the middle of the school. The Middle School students are not using this space at all! We are providing the students an opportunity to clean up their school and create a way to enjoy the outdoors during the school day. Students, parents, teachers and friends can volunteer to help in this monumental effort. At the end of the weekend, we hope to have an outdoor space where students and teachers can learn, relax and eat lunch – all without going off campus.

As always, we can't do it alone! We need your help! You can donate your time, talent, tools, or money to help make this project possible. Our friends at the Rotary Club of Stoneham have given us a jump start with a \$2,600 grant and lots of project management!

Please let us know how you can help: *(Teams are welcome, but not needed to participate!)*
